"Go ye unto all the world"

May, 2011

FAMILY NEWS

Summer is here and we have a full plate. We decided to enjoy the outdoors while the weather was still pleasant because Bailey loves being outside but cannot endure the heat for long. We took her to a local park where she had a blast feeding the ducks. Other children came to talk to her out of curiosity about the wheelchair. She loves being with other kids her age. So we gave them some bread to feed the ducks too. I think she enjoyed watching the other children more than the ducks.

Caleb will go on a mission campaign to Africa and then to Horizons camp at Freed-Hardeman University this summer. He will be a Junior next school year and Bailey will soon be a teenager.

Rhonda continues to work diligently with secretarial duties and, the most important job, being a wife and a mom. I am truly blest to have such a supportive wife and understanding children who enable me to be a part of this remarkable work that God is doing.

Bailey visiting ducks at the park.

NEW SCHOOL IN CAPE TOWN OFF TO A GOOD START!

I had the great privilege to visit Rohan and Sandra Jones in South Africa. Rohan is a graduate of Brown Trail School of Preaching in Bedford, TX.

While a student in school he had met with me about a dream he had to start a school in Cape Town to help strengthen the churches there. We had several meetings and made plans to work together.

However, after his graduation, my schedule became so busy that I found it difficult to make a trip to Cape Town. Brother Jones wanted to go ahead and start the school so I gave him a copy of the requirements for a WBI Extension School and he designed the program with that in mind. Upon my arrival I found a very well organized program with quality students dedicated to a study of God's word.

Rohan and his sweet family.

Rohan and Sandra were kind enough to invite me to stay in their home to offset some of the cost of my trip. I was grateful for the assistance and thoroughly enjoyed their company.

Rohan is working with the Athlone church of Christ but spends much time helping struggling churches in other regions of South Africa. I was thoroughly impressed with the work ethic that both he and Sandra exhibited during my time there.

The Cape Bible school is going to turn out quality students because it has a quality staff. Brother Jones has done a fine job in recruiting some good men to work with him in this endeavor. I had the opportunity to meet with the staff and some of the teachers who will have an intricate role in the success of the program.

The staff of Cape Bible School consists of **Rohan Jones, Phillip Hendricks** (Brown Trail School of Preaching, Heritage University), **Michael Jacobs** (Freed-Hardeman University), **Dereck Beukes** (West Cape Town University), **Mike Swartz** (Harding Graduate School), and **Bendict Little** (South Africa BibleCollege).

Rohan, Michael and Phillip.

We have 19 quality students in the school. They are presently meeting on a part time basis at the Thicket Road church of Christ. However that location is temporary and a new location must be found soon. I had the privilege of attending an area wide singing

where Benedict Little preaches and found several of our students there. The guest speaker was one of the students in the school. He did a fine job and one person was baptized into Christ.

Some of the students of CBS

The school costs about \$200 per month to operate. Thanks to each of you who contribute to make this work a reality. May God bless you for your part in spreading the saving message of Christ to others.

**TOGETHER WE ARE MAKING A
DIFFERENCE!**
