

# FISHING ACTIVITY

Lesson One

## Materials

copies of Fish Reproducible page  
scissors

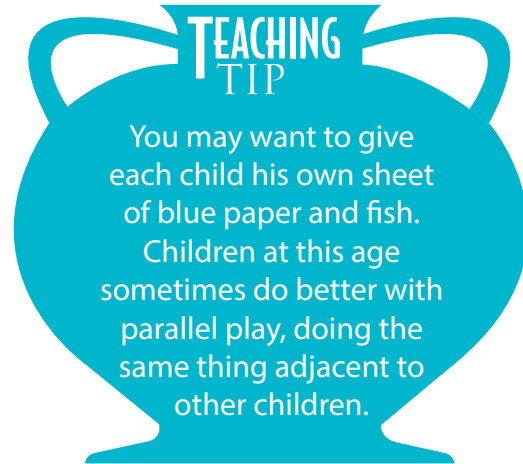

blue bed sheet or 1 piece of blue paper per student  
small baskets

## Before Class

Print and cut apart copies of the Fish Reproducible page. Make sure you have enough fish for each student. Lay out a blue bed sheet or a large piece of blue paper. Place the fish upon one half of the sheet.

## Game Play

Give each child a small basket. Say: **In today's Bible story, Jesus met and became friends with some fishermen. These fishermen worked very hard. They were dedicated. Let's pretend we are fishermen. I'm going to fish on this side of the boat.** Look for fish on the empty half of the sheet. **I can't find any fish.** Ask: **What should I do? Should I fish on the other side of the boat?** Look for fish on the other half of the sheet Say: **Here are lots of fish!** Show the children how to pick fish up and put them in their baskets. Say: **Because I am dedicated, I will work hard to catch all of the fish. God wants us to work hard for Him.**

Matthew 5:6

**“Blessed are those who hunger and thirst for righteousness, for they shall be filled.”**
