

STORY TIME SONG

Tune: The Farmer in the Dell

Oh, now it's story time,
Oh, now it's story time,
It's time to zip our lips up tight,
(Act out zipping across lips.)
Oh, now it's story time.

Oh, now it's story time,
Oh, now it's story time,
It's time to put on our listening ears,
(Cup hands behind ears.)
Oh, now it's story time.

Oh, now it's story time,
Oh, now it's story time,
It's time to put on our quiet hands,
(Act out putting on gloves and setting hands in lap.)
Oh, now it's story time.
